

## FORD F250-F450 - PART NO. 09221 REGULAR CAB & CREW CAB WITH FULL REAR BENCH SEAT (NOT 60/40 SPLIT REAR BENCH SEAT) INSTALLATION INSTRUCTIONS

---

Congratulations on your purchase of the Husky Gear Box. The Gear Box was designed to fit under or behind the rear seat of your truck or SUV. The Gear Box gives you a place to store loose items and clutter and ultimately help keep your vehicle organized. It's designed to fit your vehicle with or without your Husky Liners in place and only takes a few minutes to install. NOTE: The Gear Box will not work with the rear under-seat subwoofer.

---

### PACKAGE CONTENTS

Gear Box – Part No: 09221 (1)  
Attachment Fastener and Washer (1)  
Dividers (2)  
Installation Instructions (1)

### INSTRUCTIONS

- 1) Open and remove the Gear Box from the shipping box and protective plastic bag.
- 2) Side and flip front seats forward for Regular Cabs or flip rear seat forward for Crew Cabs. Remove the jack tools (Figures 1 and 2). **NOTE: If you have a factory storage tray you will need to remove it at this time. Simply remove the 3 retaining screws and remove the tray.**

- 3) Remove jack and jack mounting bracket and reinstall the factory fasteners. (Figures 3 and 4).

Figure 3

Figure 4

- 4) You will notice that there are 4 small indentions in the floor of your Gear Box (Figure 5). These are attachment points. Determine which attachment method you are going to use. If you do not have a factory storage tray, drill a 3/8" hole at indention 3 (Figure 6) and install the Gear Box with the supplied bolt and washer (Figure 7). If you have a storage tray you can drill holes at indentions 1, 2, and 4 and attach the Gear Box with the existing fasteners. **NOTE: When positioning the Gear Box, the large relief area faces towards the front of the vehicle and the smaller relief area faces rear and should clear the seat belt casing.**
- 5) Once the Gear Box is secure, install the 2 dividers and you are ready to organize (Figure 8).

If you are storing long items it may be necessary to remove the dividers. Also, small loose items can potentially roll around and become somewhat annoying. Simply place these items in a rag, towel, etc... roll them up and place in the Gear Box.

If you have questions about your installation or any other Husky product, please call us at: 1-800-344-8759 M-F 8:00 am to 5:00 pm Central Time.
