

HP STICKY SHIELD™

SELF-ADHESIVE INSULATING HEAT SHIELD

APPLICATIONS:

RATED TO:

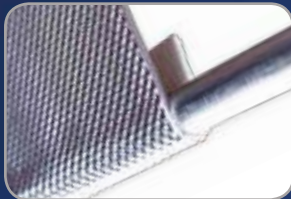

RUGGED
ARMOR FOIL

1/8" CERAMIC
INSULATION

ADHESIVE
BACKING

STICKY ARMOR
CAN BE MOLDED
TO ADHERE TO
ANY SURFACE

HP Sticky Shield™ is the ultimate way to stop heat from radiating into the drivers compartment of your ride. Made from a dense layer of 1/8" ceramic insulation shielded by a rugged layer of .004" thick aluminum, HP Sticky Shield™ may be pressure washed after installation and is resistant to the elements. The heavy duty peel and stick adhesive will bond to any clean surface. This HP Sticky Shield™ can be used with less than 1" of airspace, however when used with 1" or more airspace, it is capable of shielding over 90% of radiant heat. Use Heatshield Armor Weld Tape™ to seal seams when putting two of these heat shields together and also protect the edges of HP Sticky Shield™.

INSULATION TYPE: RADIANT HEAT **USES:** FLOOR BOARDS, FIREWALLS, AIR BOXES, MUFFLER HEAT SHIELD, DPF HEAT SHIELD, CATALYTIC CONVERTER HEAT SHIELD

PART NO.	DESCRIPTION
180020	HP STICKY SHIELD™ 1/8" THICK, 1' X 2' WITH ADHESIVE
180021	HP STICKY SHIELD™ 1/8" THICK, 2' X 2' WITH ADHESIVE
180025	HP STICKY SHIELD™ 1/8" THICK, 3' X 4' WITH ADHESIVE

HP THERMAL SLEEVING™

HIGH-TEMPERATURE FIBERGLASS SLEEVE

APPLICATIONS:

RATED TO:

ECONOMICAL
SOLUTION FOR
PROTECTING VITAL
ENGINE COMPONENTS

An excellent way to protect wires, fuel lines, brake lines, battery cables, EGR tubes, and more. The special weave of the sleeving allows it to expand over plugs and fittings when installing. HP Thermal Sleeving™ reduces radiant heat transfer and also dissipates heat. Capable of withstanding 1000°F of continuous heat, this sleeving is ideal for protecting components that are very close to the exhaust system. Fasten using Thermal-Tie™, Cool Foil Tape™, or hose clamp.

INSULATION TYPE: RADIANT HEAT AND DIRECT CONTACT **USES:** HEAT SHIELD SLEEVE FOR FUEL LINES, BRAKE LINES, WIRE HARNESSES

PART NO.	DESCRIPTION
200806	HP THERMAL SLEEVING™ 1" ID X 6" LONG, 8 PACK
201012	HP THERMAL SLEEVING™ 1/2" ID X 6'
201038	HP THERMAL SLEEVING™ 3/8" ID X 6'
201072	HP THERMAL SLEEVING™ 1" ID X 6'
